

E-invoice

With e-invoice, your rent notice is sent directly to your online bank. This is what you do:

1. Log into your online bank
2. Add Rosengård fastigheter as e-invoice payee, by searching "Rosengård fastigheter".
Bear in mind that the contract holder and the account holder need to be the same person.
3. Done!

Your registration will include all contracts you have with us, including the parking space/garage if relevant.

E-invoicing comes into force at the next quarterly notification.
